

London City Bond Limited

ENVIRONMENTAL POLICY STATEMENT

- ✓ London City Bond Ltd. is committed to the environment by providing a right first-time service to its customers; this is achieved by listening to the needs of our customers, minimising stock movements and appropriate route planning for product delivery.
- ✓ London City Bond Ltd. is committed to continually improving the management system in support of ensuring the safety of all personnel, the reduction of wastage, the prevention of pollution, and the reuse of packaging materials, as confirmed by a documented management system against the requirements of ISO 14001 and industry best practice principles.

London City Bond Ltd. establishes the above philosophies of the organisation by ensuring the continuation by the following:

- Identifying the necessary resources to meet with the customer and specified legal requirements with due consideration to maintaining performance targets.
- Compliance with internal processes and procedures to achieve declared aims supported by documented records at all appropriate levels.
- Compliance with legal and environmental legislation related to identified environmental aspects in order to prevent pollution and ensure environmental protection.
- Evaluate the efficiency of the business system by prioritised compliance and operational system related internal environmental audits.
- Maximum communication between customers and suppliers in support of service compliance and product traceability.
- Motivate and encourage inclusion of technical and administration personnel at all levels through training and competency reviews.
- Review of the business through regular management and operational meetings.
